## CAPABILITY STATEMENTS

### COMPANY OVERVIEW

As an organization committed to serving communities, we strive to uphold integrity and compassion by aiding in various areas, particularly in the context of disaster relief. Our team comprises highly skilled and experienced veterans, including JSOC tier 1 operators and special operators, who possess a wealth of knowledge gained from real-world scenarios. These individuals are dedicated to executing missions in challenging environments, with a primary focus on preserving lives. At POLARIS GROUP INTERNATIONAL INC, we understand that every world event necessitates a tailored approach. Currently, we are establishing a forward operating base along the Ukrainian Poland border, equipped with a comprehensive command operations center and logistics base. In addition to this infrastructure, we are actively involved in several missions centered on triage, evacuations for vulnerable individuals, security measures, and provision of humanitarian aid specifically targeting orphans and children. We recognize the utmost importance of cultivating a culture that promotes empathy and lifesaving efforts. Through our initiatives, we aim to inspire a collective spirit of assistance, bolstering the wellbeing of those in need.
